The 5 Simple Steps™

Trophy Construction understands that you want your own special place that reflects your style and taste.

"The 5 Simple Steps"™ process allows you to control the scope, design, and budget.

You describe what you want, the design team draws it, you approve it, and Trophy builds it.

1. Describe It - Share Your Vision™

An idea session to identify the scope and estimated budget range of your project.

2. Design It - Concept Plans™

The Design Team is selected and ideas are transformed into a preliminary schematic floor plan.

3. Approve It - Final Plans & Selections™

Design selections, specifications, full construction plans, and bids are submitted for final pricing.

4. Build It - The Main Event™

The Trophy Construction Team transforms your plans into reality.

5. Love It - Happily Ever After™

The project is completed, on time, on budget, and Trophy Construction has earned your 5-star review.

By following "The 5 Simple Steps,"

You'll love your home™
